U.S. Probation Officer Action:

The offender has been participating in substance abuse and mental health treatment at Trinitas Hospital in Elizabeth, New Jersey. His marijuana use is correlated with his ongoing mental health issues. Murray suffers from severe anxiety. He has tried various psychotropic medications which reportedly did not work for him. His therapist is trying to help him work through his mental health issues to prevent further self-medication. We will continue to monitor the offender's substance use and progress in treatment. If any continued issues of noncompliance arise, we will notify the Court immediately.
